

Central Intelligence Agency

Washington, D.C. 20505

3 MAY 1977

Dear Harold,

Thanks for your note of April 22nd on Bruce Clarke. I am happy to detail him to continue as your representative to MBFR for another year with the sole reservation that if some situation developed in which his talents were particularly needed at the Agency we would negotiate about it. I don't particularly foresee that occurring at this time, but just wanted to enter a small caveat.

Thanks.

Yours,

A handwritten signature in cursive script, appearing to read "Stansfield Turner".

STANSFIELD TURNER
Admiral, U.S. Navy

The Honorable Harold Brown
The Secretary of Defense
Department of Defense
The Pentagon
Washington, D. C. 20301
